[illegible]

I hereby certify that the above statements are true and correct, and that the drawings shown hereon, although they may not be drawn to scale, are dimensioned correctly and distances shown are accurate. All provisions of the Town Zoning Ordinance, plat restrictions, and any other state or local laws covering this type of construction will be complied with, whether or not specified herein. I also understand the approval of a permit does not authorize violation of any of the above regulations or remove the requirements for plumbing, gas, electrical or any other permits as applicable, otherwise this permit is void.
