Definition:

The term "nuisance" shall mean anything that unlawfully causes hurt, inconvenience or damage; that class of wrongs that arises from the unreasonable, unwarrantable or unlawful use by a person of his own property, either real or personal, or from his own improper, indecent, unsightly or unlawful personal conduct, working an obstruction of, or injury to, the rights of others or of the public, and producing material annoyance, inconvenience, discomfort or hurt to others or to the general public; anything which is injurious to health, or is indecent or offensive to the senses, or an obstruction to the free use of property, so as to interfere with the comfortable enjoyment of life or property of others or the public. The annoyance, inconvenience, discomfort, hurt or injury complained of must not be fanciful or such as would affect only one of fastidious taste, but it should be such as would affect an ordinary, reasonable man.
